Providing equal opportunities for all in a safe environment where everyone can be happy and develop to their full potential

17th November 2016

Dear Parents/Carers

Re: Road Safety Week

During the week beginning 21st November the School Council has organised a Road Safety Campaign for us. This will start on Monday 21st November at 2.30 with an assembly, run by the School Council, to which parents are invited.

On Wednesday 23rd November, the School will run a Road Safety Workshop from 1.15pm to 2.30pm, where parents can work alongside their children on road safety issues. Places are limited for this as it will be based in the small hall, so please fill out the slip below and we will contact those who have been given a place.

On Thursday 24th and Friday 25th November, some of the school Council will act as Junior Wardens, patrolling the parking and issuing our own parking warnings. The aim of the event is to promote the need to park safely, safeguarding the whole community.

More information about parking safely is provided in the leaflet "School Parking".

Yours faithfully

Mrs Kay Remmer
