Dear children,

Re: Send My Friend to School campaign

I am writing to let you know that the Prime Minister has received the messages you created for the Send My Friend to School Campaign and has sent you a reply. I have included a copy of the Prime Minister's letter.

Thank you once again for taking such an interest in this campaign and speaking up for the right of children everywhere to have an education.

Yours sincerely

Judith Cummins MP
Labour Member of Parliament for Bradford South
