Providing equal opportunities for all in a safe environment where everyone can be happy and develop to their full potential
15 May 2017

Dear Parent / Carer,

We will be holding a free 'Virtual Reality Anti-Bullying Workshop' for adults on Tuesday 23rd May. This is a unique opportunity to become familiar with the learning experience we are currently providing here at St Matthew's in the area of Anti-Bullying.

During the session, through the use of virtual reality headsets, you will experience a 'Bullying' scenario from different perspectives. You will receive information and training on how to both identify and respond to such incidents and be able to discuss other associated anti-bullying issues.

We are running two 45 minute sessions (one at 9.00am in the morning and another at 2.30pm) for you to choose from. For your convenience, we have tried to link these to the times that you normally would be coming to the school to drop-off or collect children.

There are limited places available for these adult workshops. As such, we ask that you contact the school office to secure your place, using the attached reply slip or by calling on 01274 731693. We really hope you can join with us in this rare chance to use modern technology in a very important area of learning. The children of Year 5 and 6 will also be having these workshop sessions. Book your place now to ensure the children are not the only ones having this memorable educational experience.

We hope to see you there

James Whitehead
Acting Assistant Headteacher

Virtual Reality Anti-Bullying Workshop – Tuesday 23rd May

I would like to attend the Virtual Reality Anti-Bullying Workshop on Tuesday 23rd May

Morning Session 9.00am

Afternoon Session 2.30pm

Child's Name _____ Child's Class _____
