

Think of a

To play the game

You will need

Game board

Player pieces (1 for each player)

Two dice and a shaker pot

A set of Oops! cards

Instructions

All players start on the start rectangle.

Players take turns to shake the dice and move that number of squares

If you land on a Letter / sound square you have to think of a word beginning with that sound.

An action square you have to do the action (see list below)

A go ahead / go back square you move back or forward the number of squares shown.

Action squares

smiley face - smile!

cat - meow like a cat

cow - moo like a cow

rabbit - hop like a bunny around the room

bird - flap and tweet like a bird

sheets of music - sing part of a song

If you CANNOT think of a word or do the action straight away you have to take an Oops card

Oops! cards send a player back a number of squares or back to the start.

The winner is the first to reach the finish rectangle.

To make the game more difficult use the words can only be used once rule.

Write down each word as it is used in the game to keep track.

This is a good way to practice spelling.
